If a camp's tax status has negatively impacted the tax-exempt status of the Department or the National Organization, the camp will be suspended until it has taken such action as to prove that it has remedied the problem. Such proof shall be an official communication from the IRS resolving the matter.

Section 21. A camp choosing to operate as an unincorporated association without formal tax status may re-apply for tax-exempt status under sections 501(c)3 or 501(c)4 at a future date. If tax-exempt status is restored, the camp must meet all filing requirements for the appropriate Form 990.

CHAPTER II DEPARTMENTS

Article I Formation

Section 1. Upon the formation of a Department, there shall be issued to it a Charter under the hand and seal of the Commander-in-Chief.

Section 2. Each Department shall be governed by its Department Encampment, subordinate to the National Organization.³⁵

Section 3. Upon the formation of a Department, there shall be called a special Department Encampment to be held at such time and place as may be designated by the Commander-in-Chief. At such special Encampment, complete organization of the Department shall be effected, including election of Officers and adoption of Department bylaws.³⁶ The Officers elected at such special Encampment shall serve until the annual Encampment, and shall be entitled to all honors accorded Officers completing an elective term.

Section 4. Departments may consolidate with one another, provided a two-thirds vote of such Departments shall so decide and provided further that notice of such intended consolidation shall have been sent to each Camp and past Department Commander thereof by mail at least thirty days prior to any vote. Vote may be by mail ballot or at a Department meeting. Such action to be subject to the approval of the Commander-in-Chief. In such case the books, papers and property shall belong to the consolidated Department.

Section 5. Departments may petition the Commander-in-Chief to divide themselves into more than one Department provided that a superior majority (two-thirds) of the Camps within the Department consent to the reorganization and no resulting Department shall have less than the requisite number of Camps for a Department and the remnant of the original Department shall not have less than the requisite number of Camps for a permanent status Department. If the Department does not concur, those Camps wishing to organize themselves into a new Department, may appeal to the Commander-in-Chief. The Commander-in-Chief shall deny such request if he believes it is not in the best interest of the Order.

Section 6. In no case may a Camp secede from a Department.

Section 7. The Commander-in-Chief may by Special Order establish a Department from the Camps-at-Large attached to the Department-at-Large when a sufficient number of Camps are established within a contiguous geopolitical area or when a sufficient number of Camps-at-Large petition for the formation of a Department.

³⁵ The Department Encampment is the administrative ruling body for the Department, while in session. While Chapter II Article VII, Section 1b of the C&R states that the Department Commander shall preside at all meetings of the Department Encampment, and appoint all standing and other committees, this does not supersede or negate the power of the Department Encampment to direct the formation and membership of such committees it see necessary, within the confines of the rules prescribed in the Departments Bylaws or Constitution and Regulations of the Sons of Union Veterans of the Civil War. CinC Day, G.O. 24.

³⁶ All Department Bylaws must be approved by the Commander-in-Chief. Any provision of a Department By-law which is inconsistent with the Articles of Incorporation, Constitution or Regulations is null and void. Department policies which are not part of the Department Bylaws do not require the approval of the Commander-in-Chief. CinC Mellor, 132nd, 279 (General Order 5)

Section 8. Departments shall be composed of one or more states, commonwealths, republics, territories or the District of Columbia. All Camps within the geopolitical area assigned to a Department by the Commander-in-Chief must become part of the Department. A Department may not consist of a part of a state, commonwealth, republic, or territory of the United States.

Section 9. To promote fraternal relations and to coordinate those activities that can extend across Department boundaries, two or more Departments may establish a regional association. Such regional associations may include bodies of the various other Allied Orders as they exist within the boundaries of such region. Such regional association shall not exercise any authority of any type over member Departments. Such regional associations may elect officers. Members of the Allied Orders may hold any office within the regional association, as determined by the membership of the regional association. No former officer of such regional association shall be entitled to any past honors within the Order, nor shall any badge or device be authorized to indicate membership in or office held in such regional association. However, such regional association may authorize a past regional commander badge at its discretion and its own expense.³⁷

Section 10. When a Department fails to file their annual report and pay the annual per capita dues by the date specified in the Regulations for five consecutive years, the charter of the Department shall automatically be suspended; the Department shall lose all voting rights at the succeeding National Encampment, including all Department PDC's and Past Department Commander and Department Commander; the Department may not be reinstated until the succeeding National Encampment has occurred.

Section 11. Any Department which fails to file the Department Annual Report Form 35 by the date specified therein shall be automatically suspended. The Commander-in-Chief shall issue a General Order noting the automatic suspension. A department may be reinstated by providing proof of filing the consolidated annual report. The Commander-in-Chief shall publish a General Order noting the reinstatement.

Section 12. Any Department which fails to file the annual EIN report by the date specified therein shall be automatically suspended. The Commander-in-Chief shall issue a General Order noting the automatic suspension. A department may be reinstated by providing proof of filing the annual EIN report. The Commander-in-Chief shall publish a General Order noting the reinstatement.

Section 13. Each Department shall make provisions for Department Members-at-Large (DMAL). DMAL shall include all Brothers (Members, Associates, Juniors and Junior Associates) residing within the jurisdiction of the Department who are not a Brother of a Camp within the Department. Such provision may be 1) Department MAL, 2) a Camp established by

the Department for the purpose of administering the DMAL, or 3) a requirement in the Department bylaws that all Brothers belong to a Camp of their choice or assigned to the nearest Camp if the Brother does not choose a Camp.

Section 14. A Department, with the permission of the National Organization, may enter into a lawsuit within its area of jurisdiction to prove lawful ownership of Civil War era property or G.A.R. property. This permission may be granted through either the action of the National Encampment or that of the Council of Administration via a General Order of the Commander-in-Chief SUVCW. Departments should be aware that any monetary liability regarding the lawsuit falls upon the Department to pay.³⁸

Section 15: Any department which fails to file its United States Internal Revenue Service (“IRS”) Form 990 appropriate to the individual tax circumstances of the department (usually Form 990N), or any future replacements for Form 990 or Form 990N, by the due date specified by the IRS shall be automatically suspended. The Commander-in-Chief shall issue an Order noting the automatic suspension. A department may be reinstated by providing proof of filing the appropriate Form 990. Proof shall constitute a receipt of the Form 990 by the IRS, usually an online confirmation for the Form 990N.

Section 16. Any department which has had its tax-exempt status revoked by the IRS shall be automatically suspended. The Commander-in-Chief shall issue an Order noting the automatic suspension. A department may be reinstated by providing proof of the reinstatement of its tax-exempt status under either section 501(c)3 or 501(c)4 of the Internal Revenue Code.

Section 17. A department that has had its tax-exempt status revoked by the IRS for failing to file its Form 990 for three consecutive years cannot be part of the Group Exemption of the National Organization. Its tax-exempt status must be standalone. Being outside the Group Exemption does not in any way relieve the department from its responsibility to file the appropriate Form 990 on time each year.

Section 18. No department may operate as a taxable entity.

Section 19. A Department must have an active Tax ID number with the IRS (EIN) regardless of whether it has a bank account. Not having a bank account does not relieve the department from its responsibility to file the appropriate Form 990 and to maintain its tax-exempt status.

Section 20. It is the responsibility of the Department’s Treasurer to file the appropriate Form 990 on time each year. It is the ultimate responsibility of the Department’s Commander that the appropriate Form 990 has been filed.

Section 21. It is the responsibility of the Department’s Treasurer to assure that each Camp in the Department has filed its Form 990 on time. It is the ultimate responsibility of the Department’s

Commander that all Camps within the department are in good standing with the IRS, and Form 990 has been filed on time and that no Camp has had its tax-exempt status revoked.

Article II Membership

Section 1(a). The membership of the Department Encampment shall be constituted as follows: all Past Commanders-in-Chief, Past Department Commanders and Past Camp Commanders, in good standing, who have served a full term or having been elected to fill a vacancy have served to the end of that term, the sitting Department Commander and the sitting Camp Commanders. One delegate from each Camp, whatever its membership and one additional delegate for every ten Brothers, or major fraction thereof, based upon the report for the annual report next preceding the Encampment; and its own elective officers (except Aides). Any Brother serving as Camp Secretary or Camp Treasurer continuously in office for a period of ten years may have

conferred upon him the rank of Past Camp Commander with its voting privileges at Department Encampments.^{39, 40, 41, 42, 43, 44, 45}

(b) No member of the Department Encampment or special meeting shall represent more than one camp at any Department Encampment or special meeting.

(c) Any Brother serving as Camp Secretary or Camp Treasurer continuously in office for a period of ten years may have conferred upon him the rank of Past Camp Commander with its voting privileges at Department Encampment.

³⁹ A division by-law which reads, "Each camp shall be required to pay the expenses of at least one representative to each Division Encampment" is unconstitutional. JAG. Shaw Van, Op. XII, 11th, 40.

⁴⁰ A Past Camp Commander in good standing is entitled to participation in Department Encampments because this is an honor bestowed on him personally for past service; and cannot be taken from him even though his Camp is in arrears or not in good standing. This continues until such Past Camp Commander either resigns or is discharged as provided by the Regulations or his Camp disbands. In the latter case, he may retain this individual right either by transfer to another Camp or become a member-at-large. NC Howard, Op III, 57th, 62.

⁴¹ A Past Department Commander is not eligible for the office of delegate or alternate delegate to the National Encampment, even if said brother is a dual member of Camps in more than one Department. CinC Pahl, General Order 10, Dec IX, 126th, 182.

⁴² All delegates and alternate delegates to a National Encampment must be elected to such office at their respective Department Encampment. If a brother is not so duly elected, the Department Secretary shall not issue a delegate card nor an alternate delegate card to such brother. CinC Pahl, General Order 10, Dec X, 126th, 182.

⁴³ 1. With the formation of two Departments, there have been substantial questions over the standing of a Past Camp Commander concerning their right to voting credentials at a Department Encampment. In order to clarify this I am hereby publishing this General Order;

2. Past Camp Commanders in good standing are only entitled to credentials from the Camp that they Commanded.

3. Should a Past Camp Commander allow his dues to go into arrears and is no longer in good standing with the Camp that he had commanded, his voting status as a Past Camp Commander is forfeited.

4. If a Past Camp Commander should transfer to a new Camp, their voting status as a Past Camp Commander is forfeited.

5. If the Camp that a Past Camp Commander is a member of ceases to exist, their Past Camp Commander voting status is forfeited.

6. If the Past Camp Commander remains a member in good standing of the Camp that he Commanded and joins another Camp as a dual Member he still holds voting rights as a Past Camp Commander in the Camp that he commanded but doesn't have the voting rights as a Past Camp Commander in the Camp he has just joined.

7. Should a Past Camp Commander transfer from the Camp that he had commanded, then at a later date rejoins the Camp he had commanded, he must request and be approved for the restoration of rank prior to him being issued a credentials card as being a Past Camp Commander. A credentials card cannot be issued to him as a Past Camp Commander until his rank has been restored.

8. Past Camp Commanders that desire to have a credential card to the Department Encampment and for whatever reason no longer qualify for voting credentials as a Past Camp Commander may apply for the restoration of rank through the process described in the Constitution and Regulations. A credentials card for a Department Encampment as a Past Camp Commander cannot be issued to him until the restoration of rank is approved.

A Past Camp Commander that transfers from the Camp that he has commanded to another Camp may make request in writing to that Camp of which he has just joined for the restoration of his rank as a Past Camp Commander. If acted upon favorably by the Camp in regular session, said request shall be forwarded to the Department

Commander, setting forth the causes of loss of rank, and reasons for request or restoration. The Department

(d) Appropriate credentials for all Past Commanders-in-Chief, Past Department Commanders and Department elective and appointive officers shall be issued by the office of the Department Secretary. Appropriate credentials for all Camp Commanders, Past Camp Commanders, delegates and alternates shall be issued by their respective Camp Secretaries.

(e) A Past Commander-in-Chief in good standing who joins or transfers into a Department as a dual member from another Department shall have voting rights at Department Encampments and his credentials shall be issued by the Department Secretary.

Section 2. Vacancies in delegate representation to and at the time of the Department Encampment may be filled by a vote of delegates from the Camp in attendance at the Encampment; the Camp Commander having the prior right to appoint Brothers to fill vacancies.

Section 3. A Camp which fails to pay its per capita dues or other indebtedness or fails to make reports, shall not be entitled to representation in Department Encampments.

Section 4. To obtain restoration of rank of Past Camp Commander, the Brother shall make request in writing to the Camp of which he is a Brother. If acted upon favorably by the Camp in regular session, said request shall be forwarded to the Department Commander, setting forth the causes of loss of rank, and reasons for request or restoration. The Department Commander shall present same to the Department Encampment where if acted upon favorably, such rank shall be restored.⁴⁶

Article III Meetings

Section 1. Departments shall meet in Annual Encampment. Said Encampment shall be held on a day between the first day of January and the first day of July.

Commander shall examine the request to assure completeness and if in order shall present said request to the Department Encampment for action. If approved his rank as a Past Camp Commander shall be restored with all of the rights and privileges granted to him in the Constitution and Regulations of the Order. CinC Kuhn, Dec 10, 127th, 282.

~~⁴⁴ Neither elected nor appointed officers are considered voting members of a Department Encampment, except for the Department Commander. NC Grim, Op X, 129th, 431. Approved, CinC Kennedy, General Order 11, 129th, - Overturned by CinC Martin, General Order 16, 136th, 389.~~

⁴⁵ Our Regulations outline the responsibility of the Camps, and Departments, to vote on delegates to Department and National Encampments. It is their duty then to provide the delegates with credentials. Individuals may find themselves in possession of multiple credentials for Department and/or the National Encampments. However, these Encampments, also by our Regulations, may only accept ONE credential card from any Brother thereby limiting any member, under any circumstances, from voting more than once on any action brought before an Encampment. CinC Mortorff, G.O. 9, 135th, 278.

⁴⁶ A Department has authority to determine whether to carry on its list of past members the name of a past Department Commander who have been removed from their Department as the result of disciplinary action. The Department Bylaws govern whether the Department Commander or the Department Encampment exercises this authority. Op NC Grim, Op I, 128th, 261.

(a) All such meetings shall be in person. The Department Commander may allow a limited number of brothers to attend virtually, by way of interactive video conferencing or other such electronic means, including internet-based or telephonic means, should he find, a brother would not otherwise be able to attend a meeting in person. The Commander shall ensure the method used allows full participation of the brothers attending virtually. In the discretion of the Council Chair or the Committee Chair, committee meetings may be held as virtual meetings.

(b) When a state of emergency exists as the result of a declaration by the President of the United States, the Governor of a State, Territory or Possession, or local government officials who have the authority to declare a state of emergency which prevents a department from meeting, the Department Commander may allow the Department to meet virtually through the issuance of a Department Order.

(c) Special meetings of a Department Encampment may be called by the Department Commander, by and with the consent of the Department Council; but no business shall be transacted at any special meeting other than that for which it was specifically called, which call shall state the purpose and object of said meetings.

If the Commander-in-Chief is absent from the Department-at-Large Encampment the next ranking officer will call the encampment to Order and preside over the Department-at-Large Encampment. If the National Encampment is conducted as a virtual meeting, the Encampment of the Department-at-Large shall also be conducted by virtual means.

(c) If attendance at the Department-at-Large Encampment is less than the allotment of delegates permitted to the National Encampment then all in attendance, with the exception of the Department-at-Large officers, will be declared delegates to the National Encampment. If the number in attendance is greater than the allotment of delegates permitted to the National Encampment then a vote for delegates must occur.

a. Juniors and Junior Associates are permitted as members of the Sons of Veterans Reserve. They are admitted under the same provisions as within the SUVCW regarding the monitoring of minors with additional restrictions.

b. Junior and Junior Associates will not hold elected or appointed Commissioned Officer or Non-Commissioned Officer ranks in the SVR on any level.

c. Junior and Junior Associates will not handle or fire any weapon or handle gun powder while participating in a SVR or SUVCW event or activity.

ceremonies, programs, and parades such as Remembrance Day, Lincoln Birthday, Memorial Day, Lincoln Tomb Ceremony, and National Encampment programs, and at the request of the Commander-in-Chief, special ceremonies and parades on behalf of and representing the Sons of Union Veterans of the Civil War.

Section 4. Individual units of the SVR and individual members of the SVR units may participate in non-SVR or SUVCW sponsored National Civil War re-enactments, living histories and educational demonstrations. Non-SVR members of independent Civil War re-enactment units may participate with the SVR at SVR or SUVCW sponsored events and/or programs.

Section 5. The Commanding Officer of the SVR shall be appointed by the Commander-in-Chief after receiving the recommendation of the National Military Affairs Committee. The duties of the Commanding Officer of the SVR shall be to administer and command the SVR pursuant to the Regulations of the SUVCW and the Regulations of the SVR.

Section 6. The rank of the Commanding Officer of the SVR shall not be higher than that provided for in the SVR Regulations and based upon the total membership of the SVR. In no case may the rank of the Commanding Officer be higher than Major General. Current and past Commanding Officers holding ranks higher than that permitted by the Regulations, may retain their current rank for the remaining period of the SVR appointment, adhere to the rank permissible under the Regulations, transfer to the Inactive Reserve, or retire from the SVR at their current rank. The Commanding Officer of the SVR may be relieved by a two-thirds majority of the National Military Affairs Committee, subject to the concurrence of the Commander-in-Chief.

Section 7. The SVR shall be administered by a national body known as the National Military Department, Sons of Veterans Reserve (NMD, SVR). The Commanding Officer of the SVR may appoint a NMD staff consistent with the Regulations. All NMD appointees shall serve at the pleasure of the Commanding Officer of the SVR. The period of all such appointments shall be concurrent with that of the Commanding Officer of the SVR. Current holders of such appointments, who hold ranks higher than the maximum provided for such appointment in the Regulations may adhere to the stated ranks, transfer to the Inactive Reserve at their current ranks or retire from the SVR at their current ranks.

Section 8. Any SVR military district or unit which fails to file its U.S. Internal Revenue Service (“IRS”) Form 990 appropriate to the individual tax circumstances of the district or unit (usually Form 990N), or any future replacements for Form 990N or other Form 990, by the due date specified by the IRS shall be automatically suspended. The Commanding Officer of the SVR shall issue an Order noting the automatic suspension. A military district or unit may be reinstated by providing proof of filing the appropriate Form 990. Proof shall constitute a receipt of the Form 990 by the IRS, usually an online confirmation for the Form 990N.

Section 9. Any military district or unit which has had its tax-exempt status revoked by the IRS shall be automatically suspended. The Commanding Officer of the SVR shall issue an Order noting the automatic suspension. A military district or unit may be reinstated by providing proof of the reinstatement of its tax-exempt status under either section 501(c) 3 or 501(c)4 of the Internal Revenue Code.

Section 10. A military district or unit that has had its tax-exempt status revoked by the IRS for failing to file its Form 990 for three consecutive years cannot be part of the Group Exemption of the SUVCW National Organization. Its tax status must be standalone.

Section 11. Military districts and units that had their tax-exempt status revoked for failure to file its Form 990N for three consecutive years prior to July 1, 2017 may apply to the Commanding Officer of the SVR for reinstatement as an unincorporated association without formal tax status if: (1) its assets are less than \$1,000 and (2) its revenues are less than \$5,000 annually. Any military district or unit operating as an unincorporated association without formal tax status shall take no action that jeopardizes the tax-exempt status of the SVR or the SUVCW National Organization. If a military district's or unit's tax status has negatively impacted the tax-exempt status of the SVR or the SUVCW National Organization, the military district or unit will be suspended until it has taken such action as to prove that it has remedied the problem. Such proof shall be an official communication from the IRS resolving the matter.

Section 12. A military district or unit choosing to operate as an unincorporated association without formal tax status may re-apply for tax-exempt status under sections 501(c)3 or 501(c)4 at a future date. If tax-exempt status is restored, the military district or unit must meet all filing requirements for the appropriate Form 990.

Section 13. A military district or unit must have an active Tax ID number with the IRS (EIN) regardless of whether it has a bank account. Not having a bank account does not relieve the military district or unit from its responsibility to file the appropriate Form 990 and to maintain tax status.

Section 14. It is the responsibility of the military district's or unit's Adjutant to file the appropriate Form 990 on time each year. It is the ultimate responsibility of the Commanding Officer of the SVR that the appropriate Form 990s have been filed.

Article XV Bylaws

Each Department shall adopt Bylaws consistent with these Regulations, and subject to the approval of the Commander-in-Chief. deletions shall be effective until approved and signed by the Commander-in-Chief. ~~in writing.~~
Any provision of a Department's Bylaws which is inconsistent with the Articles of Incorporation, Constitution, or Regulations is null and void. Each time the Department's Bylaws are modified; the Department Secretary shall send a copy of the Bylaws signed by the Commander-in-Chief to the Executive Director no later than 45 days after receiving them from the Commander-in-Chief.

CHAPTER III NATIONAL ORGANIZATION

Article I Power and Authority

The National Organization of the Sons of Union Veterans of the Civil War was incorporated under and by authority of a Charter issued by the Congress of the United States (Public Law 605, 83d Congress, 2d Session). The Charter and papers of incorporation shall be the charge and custody of the National Secretary. The National Charter was amended by the Congress of the United States and is found in Title 36 of the United States Code, beginning at § 200301 thru § 200312

Article II Membership

Section 1. The membership of the National Encampment shall be constituted as follows:

All Past Commanders-in-Chief, and Past Department Commanders, in good standing, who have served a full term, or having been elected to fill a vacancy, have served to the end of that term, and present Department Commanders.^{57, 58}

⁵⁷ Past Department Commanders in good standing have the same “honors” and are individual members of the Department Encampments and also the Commandery-in-Chief, and may participate and vote as such member in the National Encampment. Should his Department cease to exist, he may retain his honors by transfer or by becoming a Member-at-Large. NC Howard, Op IV, 57th, 62.

⁵⁸ The current Department Commander, all delegates and alternates elected by a Department under suspension may not be seated at a National Encampment. Any Past Department Commander and any Past Commander-in-Chief, so long as they are personally in good standing, may be seated at a National Encampment, even if their home Department is under suspension. NC Pahl, Op V, 131st, 31.

Of one delegate from each Department, whatever its membership, and one additional delegate for every twenty-five Brothers, or major fraction thereof in good standing, based upon the report next preceding the National Encampment.^{59, 60}

National members-at-large attending the National Encampment may elect from their membership, one delegate to represent them and further delegates shall be based on the same ratio provided representation of Departments.

All Honorary Members as non-voting members.

Its own elective officers.⁶¹

A Department Secretary or Treasurer holding office for ten consecutive years may have bestowed on him the rank of Past Department Commander with its voting privileges at the National Encampment.

Appropriate credentials for all Past Commanders-in-Chief and National elective officers shall be issued by the office of the National Secretary. Appropriate credentials for all Department Commanders, Past Department Commanders, delegates and alternates shall be issued by their respective Department Secretaries.⁶²

⁵⁹ Alternate votes are permitted to replace elected delegate votes only. Alternates cannot replace the vote of a Past Commander-in-Chief, Past Department Commander, Past Camp Commander, any seated Camp, Department or National Officer that has a right to vote by virtue of the office he holds and whose vote does not count towards the allotted delegate counts for Camps or Departments. Therefore, any Past Commander-in-Chief, Past Department Commander, Past Camp Commander, or seated Camp Commander, Department Commander, elected Department Officer or elected National Officer with automatic credentials by virtue of the office or past honors he holds must be present to vote and cannot be replaced by an alternate. CinC Kuhn, Dec 15, 127th, 289. This Ruling MODIFIED: Neither elected nor appointed officers are considered voting members of a Department Encampment, except for the Department Commander. NC Grim, Op X, 129th, 431. Approved, CinC Kennedy, General Order 11, 129th, (not printed in proceedings).

⁶⁰ Our Regulations outline the responsibility of the Camps, and Departments, to vote on delegates to Department and National Encampments. It is their duty then to provide the delegates with credentials. Individuals may find themselves in possession of multiple credentials for Department and/or the National Encampments. However, these Encampments, also by our Regulations, may only accept ONE credential card from any Brother thereby limiting any member, under any circumstances, from voting more than once on any action brought before an Encampment. CinC Mortorff, G.O. 9, 135th, 278.

⁶¹ The credentials of a National Elected Officer does not count towards the number of delegates allowed from that officer's home Department. Op II NC Pahl, 135th, 173.

⁶² Credentials, for a Past Department Commander to attend a National Encampment are issued by the Department in which that Brother served as Department Commander. If that Brother transfers membership to another Department, he loses his right to automatic credentials to a National Encampment unless he is granted restoration of rank according to the Constitution and Regulations by the new Department as approved by the National Encampment. NC Pahl, Op VIII, 116th, 8.

Section 2. Vacancies in delegate representation to and at the time National Encampments are held may be filled by the Department Commander, or the chairman of the respective delegations. The Department Commander in all instances having the priority or right to so appoint.

Section 3. A Department which fails to pay its per capita dues or other indebtedness, or fails to make reports, shall not be entitled to representation in National Encampment meetings. In addition, should a Department's report(s) be deemed incomplete by the National Secretary, they shall be returned to Department authority for correction. Should such report not be immediately corrected, the National Secretary may petition the Council of Administration for a ruling that such Department be deemed to have failed to make reports. Nothing in this section shall preclude any Past Commander-in-Chief, Past Department Commander or National Officer from exercising their right to attend, participate and vote at a National Encampment provided that any such Brother shall personally be in good standing.

Section 4. To obtain restoration of rank of Past Department Commander and/or Past Commander-in-Chief, the Brother shall make request in writing to the Camp of which he is a Brother. If acted upon favorably by the Camp, in regular session, said request shall be forwarded to the Department Commander, setting forth the cause or causes of loss of rank and reason or reasons for request of restoration, and shall be signed by the Camp Commander, approved by the Camp Secretary (Secretary-Treasurer) with the seal of the Camp attached. The Department Commander shall present same to the Department Encampment under the order of new business, where, if acted upon favorably shall, by the Department Secretary (Department Secretary-Treasurer) be forwarded to the Commander-in-Chief and shall be signed by the Department Commander approved by the Department Secretary (Department Secretary-Treasurer) with the seal of the Department attached. The National Secretary (National Secretary-Treasurer) shall notify the Brother(s) as to the decision of the National Encampment.^{63, 64}

Article III Meetings

Section 1. There shall be an Annual Encampment at such time and place as the body may delegate, of which due notice shall be given by publication in General Orders.⁶⁵ All such

⁶³ The honor of Past Department Commander may not be transferred to another Department, even if the brother so honored is a dual member of a Camp in another Department. The section in the National Regulations for "Restoration of Rank" only applies if a brother loses the honor of Past Department Commander for some reason; such as resignation, discharge, transfer to a Camp in a different Department, being dropped from membership for failure to pay dues, etc. CinC Pahl, General Order 10, Dec IX, 126th, 182.

⁶⁴ A National Encampment may suspend the National Regulations by 2/3s vote to overcome procedural irregularities when considering restoration of rank. CinC Mortorff, 135th 95.

⁶⁵ Brothers should take care to ensure their dress is appropriate to the occasion, such as business attire. This particularly applies to officers at their stations and those seated adjacent to and in front of the Altar during business meetings of National Encampments. This means jacket, tie, long pants and (membership) medal. Jackets may be

meetings shall be in person without any virtual attendance unless otherwise provided in this Article.

Section 2. A special meeting of the National Organization may be convened by order of the Commander-in-Chief by and with the consent of the Council of Administration for purposes therein stated and no business shall be transacted at such special meeting except for the purposes for which said body convened.

Section 3: When a state of emergency exists as the result of a declaration by the President of the United States, the Governor of a State, Territory or Possession, or local government officials who have the authority to declare a state of emergency which prevents the body from meeting, the Commander-in-Chief may suspend or cancel a Meeting of the National Organization or a National Encampment, or call for such meeting to be held by virtual means, provided the Council of Administration approves the action of the Commander-in-Chief. The Commander-in-Chief shall issue a General Order explaining the reason for his action.

Section 4. A majority of the membership reported present and entitled to vote shall constitute a quorum.

Section 5. No member of the National Encampment or special meeting shall represent more than one Department at any National Encampment or special meeting of the National Organization.

Section 6. Anyone who is under suspension from the SUVCW or has been dishonorably discharged from the SUVCW and anyone from the Allied Orders who is under suspension or has been dishonorably removed from their Allied Order is forbidden to attend the annual SUVCW national encampment; except for the purpose of appealing a disciplinary decision. A person seeking such an appeal shall notify the Commander-in-Chief and the National Secretary in writing no later than five (5) days prior to the opening of the national encampment. Upon receiving such notification the Commander-in-Chief shall schedule a time during which the appellant may appear before the national encampment and present his case.

Article IV Officers

Section 1(a). The officers of the National Organization shall consist of a Commander-in-Chief, Senior Vice Commander-in-Chief, Junior Vice Commander-in-Chief, National Secretary, National Treasurer, National Quartermaster, five members of the Council of Administration (of which no two may be from the same Department), Banner Editor, Organization Expansion Officer, National Battle Flag Preservation Officer, National Chaplain, National Chief-of-Staff, National Civil War Memorials Officer, National Counselor, National GAR Highway Officer, National GAR Records Officer, National Graves Registration Officer, National Historian,

National Legislation Officer, National Membership-at-Large Coordinator, National Patriotic Instructor, National Signals Officer and a Washington DC Representative. The same member may hold the office of National Secretary and the office of National Treasurer simultaneously.

(b) A dual member who seeks election to the Council of Administration must be a candidate from his primary or home department.

(c) A dual member for election to the Council of Administration at-large seat wishing to change his primary or home Department must have that change in effect to be reported by February 15, before seeking election to one of the five at-large Council of Administration seats.

Article V Eligibility of Officers

To be eligible for election to the office of Commander-in-Chief, Senior Vice Commander-in-Chief or Junior Vice Commander-in-Chief, a member must hold the rank of Past Department Commander and be a male lineal or collateral descendant of a person who served between April 12, 1861 and April 9, 1865, as a soldier or sailor of the United States Army, Navy, Marine Corps or Revenue-Cutter Service, or of such State regiments as were called into active service and were subject to orders of the United States general officers between the aforementioned dates and were honorable discharged therefrom or died in such service.

Article VI Election & Appointment of Officers

Section 1. The Commander-in-Chief, Senior and Junior Vice Commanders-in-Chief, National Secretary, National Treasurer (or National Secretary-Treasurer), National Quartermaster, and the elected members of the Council of Administration shall be elected at the Annual Encampment by a roll-call of the Departments, and a majority of all the votes cast shall be necessary for a choice, except in the case of Council Members, wherein a plurality vote shall elect. If there be but one nominee for an office, they may be elected by viva voce vote.^{66, 67, 68}

⁶⁶ When a brother is elected to the office of Department Commander, but it is discovered that he never served as a Camp Commander, the election is void and the office must be declared vacant. If a brother is elected to the office of Junior Vice Commander-in-Chief, but it is discovered his election to the office of Department Commander was void as he never held the office of Camp Commander, the election to Junior Vice Commander-in-Chief is void and the office must be declared vacant. Dec 1, CinC Hammer, 110th, 12; confirmed by National Encampment, 110th, 51.

⁶⁷ When multiple seats on the COA are open, each seat is an office and requires separate nominations and elections. A plurality vote applies to the COA seats when more than two candidates contest the specific seat. In that case, the Brother with the greatest number of votes is elected. NC Orr, Op 5, 127th, 160.

⁶⁸ A candidate for National Office need not be present at the National Encampment to be nominated and subsequently elected to National Office, with the exception of the office of Commander-in-Chief. Such elected

The term of office of the members of the Council of Administration shall be for three years with two brothers being elected in 2004 for three year terms and one brother being elected in 2004 for a two year term. The terms of office for all other elective or appointive officers shall be for one year.⁶⁹

Section 4. (a) Any vacancy which may occur in an elective office of the National Organization shall be filled by the Council of Administration by a temporary appointment, until the next regular meeting of the National Organization, when an election shall be held. The temporary appointee shall have full authority and responsibilities of that office during the period served.

(b) Whenever an elected officer of the National Organization declares to the Commander-in-Chief and the Council of Administration that he is unable to discharge the duties of his office, and until he declares to them the contrary, such duties shall be discharged by the appointment of a temporary officer serving in an Acting capacity, appointed by the Council of Administration.

(c) If the Commander-in-Chief determines that an elected national officer is unable to discharge the duties of his office or that a national officer is failing to discharge the duties of his office he shall notify the Council of Administration. Upon receiving such notification the Council of Administration may by three-fourths (3/4) vote of its elected members appoint a temporary acting officer to discharge the duties of that office. The temporary acting officer shall hold his appointment until such time as the Council of Administration by three-fourths (3/4) vote of its elected members restores the effected elective officer to his duties.

(d) The Commander-in-Chief shall promulgate by a General Order any action taken by the Council of Administration by authority of this Section.

Section 5. The Commander-in-Chief shall have power to remove all appointive officers. Notice of such removal shall be provided in a timely manner.

National Officer cannot assume the duties of that office until formally installed. CinC Palmer, 131st, 210.

⁶⁹ Council Members that are re-elected to consecutive terms will calculate their seniority based on their election to the position of Council Member from their first term of office. When there are two Council seats voted on at any election, the Brother who receives the first election to the first vacant Council seat will be senior to the second Brother to fill the second Council seat even though both men were elected on the same day. ⁸¹ The purpose of this policy is to clarify the position of the Sons of Union Veterans of the Civil War (SUVCW), regarding our organization's role in the collection, preservation, disposition, and public availability of records of the Grand Army of the Republic (GAR).

The Congressional Charter¹ of the SUVCW directs our organization "to assist in every practicable way in the preservation and making available for research of documents and records pertaining to the Grand Army of the Republic and its members." Section 19. The purpose/mission of the National Committee on Promotion and Marketing is to expand awareness and visibility of the Sons of Union Veterans of the Civil War, its activities and its brand to the broadest possible audience of organizations and individuals, through:

1. An increased active social media presence,

4. To increase our visibility in mutual growth areas such as Genealogy Groups, Historical Societies, Preservation Associations and Veteran's Organizations.
5. Generate articles, essays and short story series to be offered for publication in free publications such as AARP Periodicals, Historical Newsletters, Genealogical Publications, and other monthly or quarterly magazines, newsletters or publications.
6. Working with other programs and committees to generate a more cohesive and strengthened overall brand.

8. Introducing ourselves to K – 12 schools, Colleges and Universities, developing resources and curriculum education materials in areas of the American Civil War and the Grand Army of the Republic.

organization to "use its best endeavors to return said records to the communities where Grand Army posts were located, so far as possible, for the use and benefit of the communities where such posts were located."

Using the above statements as the foundation for this policy, the following statements are provided to explain what the SUVCW will and will not do under the authority of the above cited documents.

The SUVCW's interest in GAR records is solely to identify 1) where records are located, 2) their condition, and 3) if they are available for research or public viewing. Our organization has no interest in taking ownership of these records. In fact, the Deed of Conveyance between the GAR and the SUVCW instructs the SUVCW to return such records to the community where the respective GAR post existed.

The SUVCW recognizes that some GAR records are in private collections. Our organization will not use any authority that it may have under the Deed of Conveyance between the SUVCW and the GAR to claim or take ownership of any form, record, book or associated ephemera from any individual or organization against the current owner's wishes. This will not preclude accepting such items at the owner's request, or acting as an intermediary to assist with the donation of such records to proper repositories if requested. We do accept records from those wishing to donate them and will place them in local repositories as directed by the GAR. We also advocate the duplication of GAR records, especially in scanned (digitized) form, and encourage all efforts to create and distribute facsimiles of original GAR documents in paper or electronic form for the benefit of the public.

In cases where privately held GAR records collections are offered for sale, we do and will continue to request that the owner consider transferring said records to libraries, museums, or other similar repositories for long term preservation and public availability. The value of records can be used as a charitable donation to the extent provided by law. Also, in cases where GAR records collections held in libraries, museums or other institutions, are under consideration for deaccession, our organization will assist in the transfer of said records to a suitable alternate repository. Section 21. (b) If the charges pertain to Article A of the Sons of Union Veterans of the Civil War Harassment Policy Grievance Procedure then upon notification of a harassment complaint, a confidential and impartial investigation will be promptly commenced and will include direct

interviews with involved parties and where necessary with employees (as defined in the SUVCW Harassment Policy) who may be witnesses or have knowledge of matters relating to the complaint. (c) If the charges pertain to Article B of the Sons of Union Veterans of the Civil War Harassment Policy Grievance Procedure then upon notification of a harassment complaint, a confidential and impartial investigation will be promptly commenced and will include direct interviews with involved parties and where necessary with employees (as defined in the SUVCW Harassment Policy) who may be witness or have knowledge of matters relating to the complaint. The parties of the complaint will be notified of the findings and their options. Should the complaint prove to be viable, it will be moved to the disciplinary process as stated in the following Articles of this article.

Article 4. When charges are made by a Brother against a Brother of the same Camp, the charges and specifications shall be submitted in writing to the Commander of that Camp. **If the charges are against the Camp Commander, the charges shall be filed with the Senior Vice Camp Commander, who shall in all aspects act as the Camp Commander in this matter**

Article 5. (b) When charges are made for failure to pay indebtedness to, or financially defrauding the National Order, by an elected National Officer on behalf of the National Order, they shall be filed with the Commander-in-Chief. (c) If the charges being filed under paragraph (b) of this Article are against the Commander-in-Chief then Article 11 of this Chapter applies.

⁸² Jurisdiction for brothers who maintain multiple memberships is determined by the location of the offense and is determined on a case-by-case basis. NC Grim, Op IV, 129th, 430.

Article 7. All accusations must be made by one or more Brothers against one or more Brothers. Charges cannot be filed against a Camp, a Department or the National Organization, nor can charges be filed by a Camp or Department. When charges are filed against a Brother who maintains multiple memberships, the charges shall be filed within the jurisdiction where the offense occurred. If the offense occurred at a location outside the jurisdiction of those localities where the accused has membership, the Brother filing the charges may file them with any competent jurisdiction having the right to hear the charges.

Article 8. When a complaint is received consisting of charges and specifications, the Commander so receiving the Complaint shall appoint a hearing council within 45 days, which shall consist of at least five (5) Brothers and no more than nine (9) Brothers who can fairly and justly hear the matter and issue a fair and just decision. If the Commander so appointing cannot locate sufficient Brothers within his command, he may call upon adjoining commands to furnish Brothers for the hearing council. The Commander so receiving the Complaint shall insure that the accused is provided a copy of the charges and specifications to the accused within 21 days and these charges and specifications shall not be disclosed to anyone until the accused has been provided with a copy thereof.

Article 9. The party preferring charges and the accused may challenge for cause the membership of the hearing council and may request the hearing council to remove one or more members of the hearing council. The party making the request must show actual bias and likelihood that the hearing council member cannot fairly hear and decide the issues. A vote of the majority of the remaining members of the hearing council is necessary to remove a member from the hearing council. If a member of the hearing council is removed or resigns, then the appointing authority shall select another Brother of the Order to replace the removed/resigned member. After resolution of the composition of the hearing council, the hearing council shall proceed with their hearings.

Article 10. Upon appointment of the hearing council, the hearing council shall elect a chairman. The hearing council shall then convene within 90 days unless all parties agree to a later date, and shall give at least ten days' notice to the party preferring the charges and to the accused by certified mail, and shall state in such notice the time and place for the hearing. The hearing council shall have the power to postpone or continue the hearing, subpoena witnesses and shall impartially ascertain all the facts relative to the issue. A party to the issues may submit their evidence and argument by written statement, rather than personally attend a hearing. The Chair may allow the hearing to be held virtually or provide virtual participation to an in-person hearing.

Article 11. The Commander-in-Chief shall be tried for alleged offenses only on the request of three (3) elected members of the Council of Administration and on such request; the hearing

council shall consist of the elected members of the Council of Administration, convened by the Senior Vice Commander-in-Chief.

Article 12. The hearing council shall conduct the hearing in an informal manner so as to do substantial justice between the parties, according to the rules of substantive law. The hearing council shall not be bound by the statutory provisions or legal rules of practice, procedure, pleading, or evidence, except provisions relating to privileged communications. The sole object of the hearing is to dispense expeditious justice between the parties. The hearing council shall conduct the hearing in conformance to the Constitution, Regulations, policy and any orders as may be issued by the Commander-in-Chief. In the absence of the accused, after due notice of the time and place of hearing has been given him, hearing council may proceed in all respects as if he were present and had plead not guilty.

Article 13. (a). All Brothers of the SUVCW when summoned shall attend as witnesses before any hearing council and their testimony shall be taken on their honor as Brothers. Their testimony may be provided by written deposition if the Brother lives over 100 miles from the site of the hearing or the Brother is otherwise unable to attend in person. The evidence of persons not Brothers of the Order shall be taken under oath or affirmation. Their testimony may be secured by written deposition, submitted under oath or affirmation and certified by a notary public (or other like official) if the individual lives over 100 miles from the site of the hearing or the individual is otherwise unable to attend in person. The hearing council need not make a transcript of the proceedings, but shall make an audio record of the proceedings. Any party submitting exhibits or affidavits to the hearing council shall also provide exact copies of the same to the opposing party.

(b). The hearing council shall then make specific findings of fact and issue their decision as either guilty or not guilty as to each specification, 2/3's affirmative vote necessary to convict. The members of the hearing council shall use the preponderance of evidence in determining if the accused is guilty or not guilty. A preponderance of the evidence is the greater weight of the evidence; that is, evidence that the Hearing Council believes because it outweighs or overbalances in the minds of the Hearing Council the evidence opposed to it. A preponderance of the evidence means evidence that is more probable, more persuasive, or of greater probative value. It is the quality of the evidence that must be weighed. In determining whether an issue has been proved by a preponderance of the evidence, the Hearing Council should consider all of the evidence, regardless of who produced it. If a guilty verdict is determined, the hearing council shall then determine an appropriate penalty as to the matter. Said penalty shall be effective throughout all Camps, Departments and the National Organization.

(c). Such sentence may include an assessment of costs actually incurred, to be paid by the accused, so long as the hearing council agrees to such assessment and the amount to be taxed unanimously. Should the accused be found not guilty of all counts, the petitioner may be

assessed actual costs of the proceeding, if the hearing council unanimously finds the complaint to have been frivolously filed and agrees unanimously as to the amount of such costs.

(d) The Chairman of the hearing council shall notify the accused, the plaintiff, and the convening Commander of the findings and sentence in writing. Service of the decision and notice of appeal shall be made upon the accused by first class mail. Such notice to include the right to appeal and the time frame within which any appeal must be made in writing to the appropriate officer. Neither the sentence nor the time to appeal shall be effective until the accused has received the notice in writing by first class mail, to be effective 10 days from the day of mailing. The notice must contain the following. "You may appeal this decision in writing within 30 days of receipt of this notice. The appeal must be filed in writing with the (insert Camp Commander, Department Commander, Commander-in-Chief or Senior Vice Commander-in-Chief, in the event of a proceeding as outlined in Article 17). Failure to appeal within the 30 days will terminate your right to appeal." No sentence of dishonorable discharge from the SUVCW shall become effective, until the whole appeal shall have been forwarded to the Commander-in-Chief, for his confirmation or disapproval.

Article 14. No sentence of dishonorable discharge from the SUVCW shall become effective, until the whole proceedings shall have been forwarded to the Commander-in-Chief, with the recommendation of the Department Commander attached, for his confirmation or disapproval. This Article is not applicable when the hearing council is convened by order of the Commander-in-Chief.⁸³

Article 15. When charges are preferred against any Brother holding office, the Department Commander or the Commander-in-Chief, in their respective jurisdiction, may suspend the accused from office. During the suspension of an elected Camp or Department officer, their place shall be filled by the next officer in rank. During the suspension of an appointed officer, the authority making the original appointment shall appoint someone to fill the office during suspension. If the accused is a Department Commander, then only the Commander-in-Chief may suspend the accused from office. When the accused is the Commander-in-Chief, an affirmative vote of the Council of Administration to suspend is required.

Article 16. In case the accused is charged with an offense under Article 1, paragraph third, of this Article, the record of his conviction by a court of competent jurisdiction shall be prima facie evidence of his guilt of the offense of which he is charged.

Article 17. A Commander-in-Chief may take summary discipline under the following procedure:

⁸³ Sentences of less than honorable discharge become effective at the time of the decision. However, if a timely appeal is filed, then the sentence does not become effective until the Appeals Panel renders its decision. NC Grim, Op VII, 129th, 431.

A) Complete and file with the Council of Administration, a Complaint with charges and specifications per this Article. A majority vote of the Council of Administration is required to support the charges and specifications and authorize the Commander-in-Chief to proceed, the Commander-in-Chief abstaining from participating in such vote and the Senior Vice Commander-in-Chief may only vote to break a tie. Such presentation and vote may be taken by electronic means of communication. Such summary discipline may only suspend a Brother from his status as a Brother in good standing and/or such summary discipline may temporarily suspend an officer of their duties.

B) The Senior Vice Commander-in-Chief then appoints a hearing council as per this Article. The matter shall proceed as per this article, however, the a majority vote of the Council of Administration replacing the Commander-in-Chief in affirming any decision involving dishonorable discharge from the Order.

C) If the discipline sought includes removal of an elected National Officer from office, two-thirds affirmative vote is required, the Commander-in-Chief abstaining from voting and the Senior Vice Commander-in-Chief only voting to break a tie. The accused shall not be present in the Council of Administration meeting room when the vote is taken. Such vote to be by secret ballot and the ballots to be destroyed upon the announcement of the vote. There shall be at least three tellers.

D) Upon removal of an elected National Officer, the Commander-in-Chief, upon the approval of the Council of Administration, may then make a provisional appointment to fill vacancy until the next National Encampment. There shall be no appeal of the ruling by the Council of Administration to the next National Encampment, unless the Brother was removed from membership in the Order, in which case, the Brother removed must file notice of appeal within thirty (30) days from the effective date of the order removing him from membership. Nothing herein shall prevent a Brother still in good standing, who has been removed from National Office, from being nominated and elected to the office he was removed from.

Article 18. An appeal may be taken from the action of a hearing council as appointed by a Camp Commander, to the Department Commander. An appeal may be taken from the action of a hearing council as appointed by a Department Commander, or an appeal panel appointed by a Department Commander, to the Commander-in-Chief. Such appeal shall detail the reasons for the appeal and contain appropriate argument as to why the appeal should be granted. Such appeal must be filed within thirty (30) days of the issuance of the final sentence.⁸⁴

⁸⁴ Appeals of a decision of a hearing council appointed by a Camp Commander cannot be taken directly to the Commander-in-Chief, but must be made to the Department Commander. NC Grim, Op V, 129th, 430.

Article 19. Upon an appeal, all records and exhibits shall be transmitted by the party appealing to the authority receiving the appeal. The chair of the hearing council shall forward the audio tape of the proceeding to the authority receiving the appeal.

Article 20. Whenever a Department Commander or the Commander-in-Chief shall receive an appeal, they shall appoint a three member appeals panel within 90 days. Such appeals panel shall consist of Brothers of this Order and shall, so far as practicable, not be acquainted with the individuals involved or as to the factual matters in dispute. Any decision of the National Encampment is final and may not be reviewed by any authority at any future time.

Article 24. Any Brother of the Order having any type of dispute with another Brother of the Order, concerning any matter involving the Order and not directly involving third parties who are not members of the Order, shall not file any legal action in any court anywhere, unless he shall first exhaust all remedies within the Order, including but not limited to, the filing of charges under this Article.

Article 25. Any Member, Associate, Junior or Junior Associate who 1) resigns while under suspension must receive a majority vote of the Department Encampment to which he belonged at the time of resignation to re-join the Sons of Union Veterans of the Civil War after receiving the endorsement of the Camp to which he formerly belonged; 2) received a General Discharge for the Good of the Order must receive a majority vote of the Camp or Department Encampment, if a Department Member-at-Large, to which he belonged at the time of resignation to re-join the Sons of Union Veterans of the Civil War; 3) received a Dishonorable Discharge as the result of a disciplinary procedure shall not be re-admitted to the Sons of Union Veterans of the Civil War.

Article 28. The Commander-in-Chief is hereby invested with the power of clemency. Such clemency may take the form of a pardon, commutation, or expungement of the record.

1. Expungement. The Commander-in-Chief may order expungement of the record if it is found that the accused was erroneously convicted by false testimony, exclusion of testimony or evidence which exonerated the accused or procedural error by the hearing council, appeals

council or convening officer. An expungement may be with or without prejudice. All records, sentences, orders, communications relative to the case shall be removed from the record as if they never existed. An expungement with prejudice may not be retried.

2. Commutation. A sentence may be commuted if the Commander-in-Chief finds that the sentence is overly harsh, inconsistent with sentences in similar cases, or detrimental to the well-being of the accused. Such commutation may be effective immediately or upon a date specified by the Commander-in-chief. It may be a lessening of a fine, suspension from membership, prohibition on holding office or any other penalty.

a. Well-being shall mean for example a Brother is under suspension and he is found to be terminally ill and he wishes to have the Sons Burial Service upon his death, the sentence would be subject to commutation for his well-being. Another example would be a Brother is issued a fine and while paying the fine becomes financially challenged to the point the fine impacts his ability to pay other bills, for his well-being the fine would be subject to commutation.

3. Pardon. A pardon may be granted when the Commander-in-Chief believes that the offense was not of such enormity as to hinder the operations or good name of the Order; when the Commander-in-Chief determines that subsequent behavior by the Brother warrants mercy and forgiveness; or for humanitarian reasons.

4. In all of the above cases of clemency the Commander-in-Chief shall present his reasons for the action to the Council of Administration. Such action must be confirmed by vote of the Council of Administration. A majority vote in the affirmative being required for a commutation or pardon and a two-thirds (2/3) affirmative vote being required for expungement. No member of the Council of Administration who was party to the disciplinary action shall participate in any discussion or vote. Participation in the disciplinary action to include but not limited to accused, plaintiff, witness, counsel for or against, member of the hearing panel, member of an appeals panel, or the convening officer. The Commander-in-Chief may present the proposed action if he previously participated in the procedure but he may not vote if he previously participated in the procedure.

Any request for a pardon or commutation must be made and if approved granted within the time frame of the sentence. For example if a Brother is prohibited from holding elected office for 5 years, a pardon or commutation must be requested and acted upon with the 5 year period of the sentence. A pardon or commutation cannot be granted after a sentence has been served. If the sentence is a monetary fine, the request for pardon or commutation must take place within one calendar year of the effective date of the sentence.

5. Any request for expungement of the record must be received by the Commander-in-Chief in writing within 180 days of the imposition of the sentence.

6. Any Brother convicted of an offense and having exhausted all appeals may request the Commander-in-Chief to pardon him or commute his sentence. Such request to be in writing. The Brother shall have one and only one opportunity to make such a request.

7. The Commander-in-Chief is under no obligation to grant a request for clemency. If he does not agree with the request and declines to present such a request to the Council of Administration, there is no appeal of his action.

8. Once a Commander-in-Chief has acted on a request for clemency it cannot be reconsidered by subsequent Commanders-in-Chief except in the case of a request for expungement when additional proof of wrong doing or error has become available.

Department Commander Badge
Camp Commander Badge
National Officer Badge
Department Officer Badge

In the alternative, the Brother may wear the badge of office for which he currently occupies from the list in Group A. Brothers may not wear more than one badge from this group at any one time.

Group B – Past Honors

Past Commander-in-Chief Badge
Past Department Commander Badge
Past Camp Commander Badge

Each badge in Group B is unique and uses various historical elements as part of its composition. The Brother may choose to wear only a Group B badge, without wearing at the same time a Group A badge and as such, badges from Group B are considered a “Badge of the Order”. Brothers may not wear more than one badge from this group at the same time.

Group C

War Medal
Military Service Medal

When worn, the War Medal or Military Service Medal must be accompanied by a Group A or Group B Badge of the Order. The War Medal is approved for wear by the Brother's Camp and shall include a device identifying the period of qualifying service. Those devices shall not be worn upon any other badge.

Group D

Following adjournment of the Encampment, the badge should be moved to the left breast and worn in the Group D badge position. Encampment badges are neither awards nor personal decorations, but in keeping with the traditions of the Grand Army of the Republic, they may be worn to recognize participation in an event or activity. Only the current year's National or Department Encampment badge may be worn as a Group D badge and then only for the period of time between Encampments. Therefore, at any time, only one National and one Department Encampment badge may be worn. When a Department issues a badge as part of its Department Encampment, that Department may specify that such badge may also be worn by the Department's delegates and any Brother of that Department who has automatic credentials to attend a National Encampment, at a National Encampment of the Order.

Section 8. The mixing of regular and miniature badges is not allowed. Brothers may wear either full size badges or the miniature badges they are entitled to, as they deem appropriate.

Opinions in Sons of Veterans Blue-Book

⁹⁶ A National Encampment may temporarily suspend the National Regulations to consider items that would be ruled Out of Order due to procedural deficiencies. Restoration of Rank for a Past Department Commander where the request did not begin with the brother's Camp is one such example. DIR 135th, 94.
