

**REGISTRATION FOR HORSES  
OFFICE OF THE PROVOST MARSHAL  
SONS OF VETERANS RESERVE**

Effective with the 2005 Remembrance Day Parade the following changes were instituted for all mounted troops. A refundable \$100.00 fee will be assessed per horse participating in the Remembrance Day Parade. This is due to problems that have occurred in recent years with the removal of horse manure from the formation area. After repeated attempts to thwart this problem, we have been forced to this solution. The deposit will be refunded after an acceptable inspection is performed in the trailer parking area by the office of the SVR Provost Marshal. All horse trailers will be required to park in the designated horse trailer area. Horses will not be permitted on any grass area or sidewalk in the formation area. All mounted persons will be required to show their permit for each horse. If they have no permit they will not be permitted to participate in the parade. Permits will not be transferable. Permits may be applied for at the following address:

**Major Charles E. Kuhn  
Provost Marshall, SVR  
464 Lake Meade Drive  
East Berlin, PA 17317  
(717-259-6156)**

**Email: [charlie\\_kuhn@comcast.net](mailto:charlie_kuhn@comcast.net)**

Cut off date for applications for permits is November 9, 2008. All applications received after that date will be returned to the applicant. Please detach the application below and forward to the above address. A check in the amount of \$100.00 per horse must accompany the application. Make checks payable to "SVR Provost Marshal".
