

2010 National Encampment TOUR RESERVATION FORM

NATIONAL WORLD WAR I MUSEUM 1 PM to 5 PM, Thursday, August 12, 2010

The remodeled and expanded National World War I Museum at Liberty Memorial opened its doors in December 2006 after a multi-million dollar renovation. This is the only museum in the Nation this is dedicated to those who served in World War I. **Congress has designated it as the National World War I Museum.**

Liberty Memorial opened in 1918, and the new multi-million dollar expansion now houses thousands of exhibits and artifacts from this time in history. The tour will have 2 hours to tour the museum. The deck of the Memorial provides a wonderful panoramic view of downtown Kansas City, but the top of the 219' tower offers guests an even greater view of the surrounding area (\$3 fee for tower is not included).

No tour would be complete without a drive through the world-renowned *Country Club Plaza*. This area was modeled after Seville, Spain, and features beautiful artwork, statuary, and several of the city's most outstanding fountains.
