Dear C-in-C Kuhn and Brothers of the National Council of Administration:

This report covers research conducted by the National Committee on Legislation for the period commencing with the first session of the 110th Congress through 31 March 2008 (inclusive of H.R. 5655, H.Con.Res. 319, H.J.Res. 79, H.Res. 1060, S. 2786, S.Con.Res. 71, S.J.Res. 30, and S.Res. 401). Since the start of the 110th Congress there has been no legislation signed into law by the President that would apply to the Order.

As previously reported, of continued interest is legislation relative to the proposal to return Memorial Day to its traditional day of observance (consistent with a Resolution adopted in 2004 as introduced by PDC Al Peterson). The status of S. 70 (introduced by U.S. Senator Daniel K. Inouye (D-HI) on 4 January 2007), relative to Memorial Day, has not changed. The bill remains assigned to the Senate Committee on the Judiciary where no action has been taken. Likewise, no Senator has added his name as a co-sponsor to the bill.

Other federal legislation of interest to the Order include the following bills (bills highlighted are new or have received legislative action since the last report):

<i>Pending Legislation (by Bill number)</i>	<i>Sponsor</i>	<i>Date Introduced</i>	<i>Status</i>
