To: Commanders/Recorders of State Commanderies:  
From: Treasurer-in-Chief, Lee Allan Tryon

Gentlemen:

The Loyal Legion continues to move forward in the 21<sup>st</sup> Century and it is imperative that we persist in our efforts, streamlining our operations and more efficiently serving our organization and its Companions. We are committed to the use of modern technology to track our membership of almost 1,000 individuals residing both within and outside the United States.

Our roster may still contain outdated and incorrect information regarding the name address, Insignia number, type of membership (hereditary, associate, junior, life, etc.) and Commandery affiliation of our Companions. This has made the collection of National membership and assessment payment information difficult to accomplish and is robbing MOLLUS of the funds it needs to operate effectively.

**Please *COMPLETE THE ASSESSMENT REPORT; PROVIDE AN UPDATED ROSTER AND ACCOMPANYING PAYMENT NO LATER THAN SEPTEMBER 1, 2009.***

The 2009 Assessment Report, along with payment of \$12 per member (based on the Commandery's membership as of April 30, 2009) is to be accompanied by a Membership List, which you must furnish. The list should include the name, mailing address, Insignia Number and membership type, for each member of your State Commandery. Please work together with your Commandery Recorder and/or Treasurer to compile this information and submit it and the appropriate payment in a timely manner. **The \$12 assessment per Hereditary and Associate Companion is due to MOLLUS *whether or not* you have been able to collect it from the individual!** If you have any questions, please contact me at my office (860-258-4800, Ext. 215: -phone; [leet@cscpa.org](mailto:leet@cscpa.org) -e-mail) or home (860-676-9060: -phone; [leetryon@comcast.net](mailto:leetryon@comcast.net) -e-mail).

The Commandery-in-Chief, with the support and guidance of its Officer group, is working to strengthen and solidify our organization. Your cooperation and assistance is vital to this project.

Sincerely,

Lee Allan Tryon
