

**The Military Order of the Loyal Legion
Of The United States
Treasurer-in-Chief
4 Raven Circle
Avon, CT 06001-3317**

To: Commanders/Recorders of State Commanderies:
From: Treasurer-in-Chief, Lee Allan Tryon

Gentlemen:

Now that The Loyal Legion is more than 150 years in existence, it is imperative that we continue our efforts to more efficiently serve our organization and its Companions. We are committed to the use of modern technology to track our membership of almost 1,000 individuals residing both within and outside the United States.

Our roster may still contain outdated and incorrect information regarding the name address, Insignia number, type of membership (hereditary, associate, junior, life, etc.) and Commandery affiliation of our Companions. This has made the collection of National membership and assessment payment information difficult to accomplish and is robbing MOLLUS of the funds it needs to operate effectively.

Please ***COMPLETE THE ASSESSMENT REPORT; PROVIDE AN UPDATED ROSTER AND ACCOMPANYING PAYMENT NO LATER THAN AUGUST 15, 2018.***

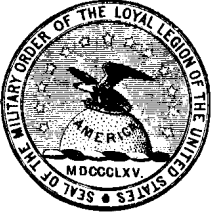

The 2018 Assessment Report, along with payment of \$12 per member, (based on the Commandery's membership as of **April 30, 2018**), is to be accompanied by a Membership List, which **you must furnish**. The list should include the name, mailing address, Insignia Number and membership type, for each member of your State Commandery. Please work together with your Commandery Recorder and/or Treasurer to compile this information and submit it and the appropriate payment in a timely manner. **Remember- the \$12 assessment per Hereditary and Associate Companion is due to MOLLUS whether or not you have been able to collect it from the individual!** If you have any questions, please contact me at my home phone (860-676-9060) or via e-mail at [**leetryon@comcast.net**](mailto:leetryon@comcast.net).

The Commandery-in-Chief, with the support and guidance of its Officer group, is working to strengthen and solidify our organization. Your cooperation and assistance is vital to this project.

Sincerely,

Lee Allan Tryon
