OPEN ITEMS FROM PRE 2017 Lansing, Michigan National Encampment CofA Meeting

National Treasurer: David McReynolds

1. Recommendation: Adopt a written information systems & financial records disaster contingency plan. The Web Master reports that his thoughts on the pending "information systems and financial records disaster contingency plan" is that he is not qualified to address this topic, nor is anyone on the committee. This is where consultants should be consulted... Therefore it is my position that we confer with a consultant who has experience in the financial records data backup field. An online secure storage company like Carbonite or NovaStor would be a good place to start.

[ADDITIONAL ACTION: Refer to Programs & Polices on final report by Gettysburg CofA Committee or Electronic Boardroom [ACTION: Needs Voted on by CofA]

2. Commander-in-Chief Day

The P&P is tasked to make necessary corrections to the form 50, remove inconsistencies and create a proper sequence of events. Any proposed changes to the C&R deemed necessary should be filled within the appropriate channels.

[Proposed change to the C&R Chapter 1, Article 1, Section 1 developed and submitted to the C&R Committee, to be submitted to the C&R Committee] [ACTION: Needs reviewed and voted on]

3. National Treasurer Additional Reporting

Treasurer's Handbook to follow with directions on a variety of financial and tax issues for Camps and Departments. Language to C&R for 501c3 status of camps and departments, will look into whether camps and departments can be grandfathered in as subordinates.]

[ACTION: That the Treasurer be approved to file new application to change the group exemption for all departments and camps to change from 501c4 to 501c3. This was so moved by JVCinC Brian Pierson, seconded by PCinC and National Quartermaster Danny Wheeler.]

ITEMS FROM 2018 NATIONAL ENCAMPMENT REPORTS

PCinC Mark Day's Recommendations:

4. Recommendation #2: That the Fraternal Relations Committee be allocated a small budget (\$500) that can be used to support its efforts and that the Fraternal Relations Committee job description be modified to show that, [Budget line item of \$500 approved. Job description be sent to C&R Committee though P&P Committee, Passed]

[ACTION: Pending this encampment 2020]

[ACTION: P&P]

5. Recommendation #4: That a Committee be established tasked with identifying all the financial aspects requirements, facilities requirements and staffing requirements that are necessary to Establish a standalone Sons of Union Veterans of the Civil War National headquarters by the year 2022, and which would bring both our administrative and quartermaster functions under one roof. This committee should be tasked with providing a plan to accomplish the establishment of a permanent national headquarters by the National in 2020. I believe this is a necessary step if we are to grow and prosper and be recognized as a legitimate and professional heritage organization in the 21st Century. [CinC to appoint CinC Committee, chaired by Brother Kevin Tucker, PCinC Mark Day, David Demmy, Sr., Michael Paquette, and David McReynolds and Bruce Frail.]

[Continuing ACTION: Committee to be re-appointed] [ACTION: Discussion on duties, continue]

6. Recommendation #7: That the CinC Appointed Committee on the Allied Orders and National Encampments be continued so that it can continue to work with the Allied Orders on Joint Encampment Agreements.

[CinC to appoint CinC Committee consisting of members if they will accept of Day, Darby, Michael Paquette, and Kevin Tucker] [Continuing ACTION: To be appointed] [ACTION: Continued]

ITEMS FROM 2019 SPRINGFIELD CofA REPORTS

7. 2.3 Junior Vice Commander-in-Chief; Brian Pierson, PDC

RECOMMENDATION: Retire the Form 60 as soon as practical in favor of the Form 3, either as is or updated.

[ACTION: JVCinC Brian Pierson to prepare updated Form 3 and ask P&P Committee for comment and vote by Electronic means or bring back to CofA] [ACTION: Revised Form 3 needed vote]

8. 4.11 National Committee on Graves Registration, Bruce D. Frail, PDC

RECOMMENDATIONS:

1) We should openly market ourselves and our database to genealogical groups and societies. This was begun last year with our work with the National Archives and Records Administration and should be expanded on in the coming years. These are the people we need to bring into our organization and they are our future. In the past year we have gained over 20 new members in the SUVCW in this manner and 5 that I know of in then ASUVCW. This was done with asking the simple question “Are you a member of the SUVCW or the Allied Orders of the GAR?” with the follow up of “Would you be interested in learning more about us or them?” It is really that simple, people do not know about us and when they find out, they wish to join.

[ACTION: Moved and work by National Committee on Promotion and Marketing] ACTION: P&P then to C&R [ACTION: Pennsylvania Department Request: CinC to write up and discuss with Department]

2) We should add advertisement banners to some of our database pages, i.e. search page and results page. These banners would be controlled by the SUVCW and the profit from them would go to the upkeep of the database (up to the yearly amount that has been budgeted) any additional funds could go into the General or Permanent Funds. The upgraded database and our new server location give us the ability to add banners, collect and track revenues. We should take advantage of this.

[ACTION: Motion by Brother Day that we allow the Technology and Graves Registration Committees to work on developing the program or plan on how this would be implemented by 2019 Gettysburg, seconded. Passed] [ACTION: Pending]

3) We should create and market a line of lineage items that can be personalized and sold thru a database web store to people who learn of their relatives or are helping with our project. Some ideas are certificates that identify American Civil War Service, t-shirts or polo shirts that submitters or admin users can purchase that would identify them as working and/or supporting our project. These items would be dual purpose; they would generate revenue and promote our database, which in turn promotes the SUVCW. The revenue would pay for the expenses generated in this product line, go towards the budget for upkeep of the database and lastly any additional could go into the General or Permanent Funds. This line would not interfere at all with the Quartermaster store or the Charitable Foundation as it is targeting a different group of buyers. As this three year plan is a base to my ideas for the future, we should discuss these before I submit a complete five or ten year plan.

[ACTION: P&P then to C&R] [ACTION: Pending]

9. 5.8 National Special Committee on Strategic Development, David McReynolds, PCC

RECOMMENDATIONS:

1) The committee recommends to the CoA that it provide authorization for the Strategic Development Committee to move forward to write a suitable case statement to support the initial phases of fundraising for the SUVCW. The case statement might be incorporated into the online fundraising page recommended below. The case statement will be reviewed and approved by the entire CoA prior to implementation.

2) The committee recommends to the CoA that it provide authorization for the Treasurer to contract with a company that will allow the SUVCW to collect online donations by check, credit card or PayPal. This might be PayPal since we already contract with them for the Quartermaster Store. Further, the Webmaster would be authorized to work with the Treasurer in setting up the online giving page. The Treasurer will provide the proper budgetary location for any expenditures related to this effort. The contract along with a summary of any financial impact on the organization will be brought back to the entire CoA prior to execution.

3) The committee recommends that the CoA authorize it to produce a presentation to be made at the Annual Encampment that would include a challenge to get 1,000 Brothers to commit to give just \$15 per month for

three years. A small individual gift (\$540 total) can become increasingly significant when multiplied by 1,000. The total would yield \$540,000. It seems feasible that 1,000 members would commit to giving \$15 per month. And perhaps some would commit to give even more. The presentation would be reviewed by the entire CoA prior to it being made at the Encampment.

[ACTION: Motion by JVCinC Brian Pierson that the committee to authorize to moved forward with their recommendations, second by PCinC Danny Wheeler. Passed]

[Continuing ACTION: CinC to re-appoint Committee] [ACTION: National Treasurer Beard]

RECOMMENDATIONS FROM INDEPENDENCE, OHIO OFFICER AND DEPT REPORTS

10. Commander-in-Chief Shaw

Recommendations:

1. Special Committee on Monument Protection **[ACTION: Incoming CinC to appoint, Wolz, Pierson, Michael Paquette, Don Shaw] [Continuing ACTION: To be appointed by CinC, report by Springfield, 2020]**

[ACTION: Georgia National Encampment needs to establish end date, add Ben Jones of Tennessee to committee]

11. Jr. Vice Commander-in-Chief Pierson

Recommendations:

5.2. Consideration towards the development of policy with respect to actions to be taken should an objection be raised to the installation of a duly election officer. **[ACTION: Programs and Policies Committee]**

[ACTION: Continued]

12. Executive Director Demmy

Recommendation # 1: Require all Departments and all Camps to have an appointed Assistant Secretary & Assistant Treasurer (or Assistant Secretary-Treasurer). The purpose would be to have an Assistant already in place, with bank account & records access, to provide backup to all administrative and financial functions of the Department/Camp in the event that the elected officer(s) was unable to perform their duties due to illness, disability, death, divorce, relocation, natural disaster, resignation or any other reason!

Having an appointed Assistant Secretary-Treasurer would be part of a “Professional Continuity Plan” for the Department and Camps that could minimize future business interruption between the Camps, Departments and National Headquarters; and avoid any potential suspension due to lack of filing reports and remittances in a timely manner! **[ACTION: C&R Standing Committee] [ACTION: Continued]**

Recommendation #2: It appears under Regulations, Chapter II, Departments, Article I, Formation, Section 3 that when footnote 26 may have been established, that section 3 (a) and (b) were dissolved! Therefore, language in section 11 and 12 below require correction as they reference data no longer in section 3 (a) and (b)!

Likewise, section 11 states “consolidated report”; I believe this consolidated report to be known as “Department Annual Report Form 35” and therefore ‘*consolidated*’ should be changed to reflect the proper name of the annual report due to headquarters on or before May 31 of each year. **[ACTION: C&R Standing Committee]**

[ACTION: Continued]

13. National Patriotic Instructor

Recommendations

The Medal of Honor was the only national award available in the Civil War period to recognize the patriotism and bravery of individuals who performed above and beyond the call of duty. I propose that the SUVCW make a strong official statement of support for the resuming the awarding of a Medal of Honor for gallantry during the War of the Rebellion. In 2018, I submitted a recommendation for that medal in conjunction with the effort of the Milton (VT) Historical Society who are restoring the farmhouse of General Stannard,. Stannard was

commander of the Second Vermont Brigade that played such a significant role in repulsing Longstreet's assault at Gettysburg. Stannard took the initiative of a daring attack on the Confederate flank that had devastating effect at close range. Despite the agreement of the chief of the army awards bureau that Stannard clearly deserved such a medal, the current policy is that no more recommendations for the Civil War period be accepted. I believe that this is a policy that should be reversed so that deserving persons can be recognized and that support from our order might make the change possible. (I can provide copious details on the year-long process of preparing and submitting the recommendation through Senator Patrick Leahy's office.) **[ACTION: Incoming CinC to pen letter to restore this award for action he deems appropriate]**
[Continuing ACTION: Pending]

2019 GETTYSBURG OFFICER RECOMMENDATIONS

14. Brother Preble - Section 3.6

I would like to make the following recommendation for two awards to be included in the Awards and Recognition Policy:

The Chaplain William Corby National Chaplain Award - This award may be presented by the National Commander, upon recommendation of the National Chaplain, to any Department or Camp Chaplain for outstanding ministry leadership in the Department or Camp. Recommendations for this award are to be made to the National Chaplain no later than 45 days prior to the National Encampment. **[ACTION: P&P Committee]**

The Jerome W. Kowalski Chaplain Award - The Jerome W. Kowalski Chaplain Award may be awarded by a Department Commander, on the recommendation of the Department Chaplain, to a camp chaplain for outstanding ministry leadership in his camp. Recommendations are to be made no later than 45 days prior to the Department Encampment. **[ACTION: P&P Committee]**

15. Brother Enderlin - Section 3.14

Form 49 - The P&P Committee is reformatting the form to accommodate the suggested changes. Final approval from the CofA is still pending. **[ACTION: Deferred]**

2020 TELECONFERENCE RECOMMENDATIONS

16. SVCinC Brian Pierson

a. Updated Form 50 (admin update) in coordination with Brother Demmy. **[ACTION: To be voted on by the CofA]**

b. Guidance for creating and revoking a Camp

CinC Norris asked the P&P Committee to examine a discrepancy between the number of Brothers required for a Camp to be chartered (five) and the number required to vote to continue a Camp that is in danger of being closed (ten). **[ACTION: C&R Committee]**

17. JVCinC Michael A. Paquette

Recommendation: I have been in contact with a number of Brothers in reference to a suggestion made by PCinC James Pahl during the CofA meeting in Gettysburg, a case can be made, per our Constitution and Regulations, that the JVCinC has authority to issue membership cards to applicants seeking membership via the online membership application process. **[ACTION: P&P, maybe forward to C&R Committee]**

18. National Treasurer D. Michael Beard
