Letter of Intent for Council of Administration of Brother Chris Workman, PDC

Brothers From Across Our Order,

It is after careful contemplation, prayer and reflection, that I again announce my candidacy for the Council of Administration for the Sons of Union Veterans of the Civil War. Having been a member since 2011, I've had the honor and privilege to serve in a variety of Camp, Departmental and National roles within our Order, each of which has broadened my perspective and deepened my understanding of the mission and purposes for which this organization was founded.

As a passionate educator and historian, I've seen the difference and the positive impact that we can make within our communities. Honoring the legacy of our ancestors through the education of future generations, the active promotion and display of patriotism, and the community and civic involvement which echoes the values and ideas which they fought to preserve and protect, represent the very foundational principles upon which our Order was founded.

I humbly come to you today and ask for your support in preserving, protecting and perpetuating these principles. Through that support, we can open a door by which all of our Brothers can communicate with me in the expressing of new ideas, discussing their concerns, and sharing in the growth of our Order. Together, we can all continue to honor the past, operate more smoothly in the present, and work toward a brighter future and the promise of a better tomorrow.

I want to thank each of you for all that you do for your Camps, your Departments, our Order, and for our Nation and I want to ask for your support and for your vote at this year's National Encampment. Allow me the opportunity to serve each of you in a way that reflects the honor and service of our ancestors.

I humbly thank you for your time and consideration for this position on the Council of Administration.

**In Fraternity, Charity, and Loyalty,
Brother Chris Workman, P.D.C.
